## GRENACHE

### 2011 CHARLES B. MITCHELL RESERVE

**WINEMAKER'S NOTES**

Increasingly fashionable, this wine hit a home run. Mountain-grown fruit is always superior to a hot valley floor. This distinctive wine was a Gold Medal Winner at the San Francisco Chronicle, as well as Double-Gold and Best of Class at the Amador County Fair.

**CHARLES B. MITCHELL VINEYARDS**

Charles B. Mitchell has been producing award-winning wines in the Sierra Foothills for over 20 years. In the early 2000s, he purchased the original UC Davis test plot and started to carefully tend our grapes to create some of the area's premier Zinfandels. After discovering the true potential of the region, Charles was instrumental in creating the thirty-three square miles known as Fair Play into an established American Viticultural Area.
