## ZINFANDEL

### 2012 CHARLES B. MITCHELL VINEYARDS

#### WINEMAKER'S NOTES

Zinfandel is a specialty at the winery. Amador Zinfandels can be a little briary with notes of wild berry, creating the perfect balance of spice and fruit. Lovely with a California BBQ. Won medals at Orange County, Amador County, Calaveras County and El Dorado wine competitions.

#### CHARLES B. MITCHELL VINEYARDS

Charles B. Mitchell has been producing award-winning wines in the Sierra Foothills for over 20 years. In the early 2000s, he purchased the original UC Davis test plot and started to carefully tend our grapes to create some of the area's premier Zinfandels. After discovering the true potential of the region, Charles was instrumental in creating the thirty-three square miles known as Fair Play into an established American Viticultural Area.
