CHARLES B. MITCHELL VINEYARDS

WINEMAKER'S NOTES

This wine will take you back to the south of France near Chateaunuef de Pape, where the wines are based on Grenache and Syrah and contribute to its excitement. The Cote du Cosumnes is harmonious and has a modest alcohol level.

CHARLES B. MITCHELL VINEYARDS

Charles B. Mitchell has been producing award-winning wines in the Sierra Foothills for over 20 years. In the early 2000s, he purchased the original UC Davis test plot and started to carefully tend our grapes to create some of the area's premier Zinfandels. After discovering the true potential of the region, Charles was instrumental in creating the thirty-three square miles known as Fair Play into an established American Viticultural Area.
